

Mountain Flying Safety and ATC Briefing Includes Lunch

We will review important safety information for operations in mountainous areas and review ATC procedures for general aviation pilots.

Directions: Parking for automobiles is available in the Atlantic Aviation parking lot. Fly in attendees can park on the Atlantic Aviation ramp.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
